

SESSION GUIDE

Headliner Sessions

These keynote sessions will be presented live during the times designated and speakers will be engaging with audience members during the session in the chat box. Following each headliner, a recording will be available to watch at your convenience.

Mainstage Sessions

These will be presented live during the times designated and speakers will be engaging with audience members during the session in the chat box. A recording will be available to watch on your own after each presentation. You can select any of the mainstage sessions to attend "live" during each designated time slot and then watch recordings of the others at your convenience.

On-Demand Sessions

These are recorded and ready for you to push play at the time scheduled or whatever works with your schedule. Speakers will be available to answer questions during the designated time or after.

Pre-Convention Workshops

These are optional, 3-hour workshops occurring on March 8-10 that you can register for in addition to your CEC L.I.V.E. registration. Workshops are presented live/synchronously by the presenters.

Office Hours

These live, 30-minute Zoom sessions are informal and don't require additional registration. We encourage you to attend the speakers' mainstage presentations when they air (or watch them after!) and then use these opportunities to have your questions answered by the experts!

Social Hours

BYOD (device, drink, donut - you decide) as you join your fellow attendees for networking, games, and more.

Green Room (All-Access Only)

All-Access Pass attendees are invited to come hear from and interact with the keynote speakers in a more intimate environment following the headliner sessions.
