

Thought Leaders on the American Rescue Plan Act: Guidance for State and Local Leaders on Flexible Options to Increase and Support the Special Education Pipeline

Personnel Shortage Resource Guide

Resource Name	Link to Resource	Resource Description
OSEP Ideas that Work	https://osepideasthatwork.org/attract-prepare-retain-effective-personnel-all	Learn about and find resources related to OSEP’s strategies to attract, prepare, and retain effective personnel – general and special education teachers, early childhood personnel, and related services providers—who have the knowledge and skills needed to provide effective instruction, interventions, supports, and services to children with disabilities.
CEEDAR Center Webinar & Toolkit	https://cedar.education.ufl.edu/portfolio/shortage-toolkit-webinar/	Find the CEEDAR Center resources on – Educator Shortages in Special Education: A Toolkit for Developing Local Strategies
High-Leverage Practices	https://highleveragepractices.org/	All resources for the High-Leverage Practices (HLPs) can be found at this site.
Center on Great Teachers & Leaders	https://gtlcenter.org/	The GTL Center team has a deep bench of national experts ready to deliver a comprehensive set of services to meet your unique needs. The team includes former teachers, principals, and teacher leaders, including National Board Certified Teachers. As former practitioners who have worked in classrooms, schools, districts, and state agencies, they know first-hand what it looks like when a school system works, and when it does not. They are passionate about using effective strategies to help states and their districts build diverse, talented teams of educators as the foundation for student success.
Learning Policy Institute - Article	https://learningpolicyinstitute.org/product/long-view-report	Explore the article, “Taking the Long View: State Efforts to Solve Teacher Shortages by Strengthening the Profession” as well as download the full report and other materials.
Council for Exceptional Children – Life Centered Curriculum	https://exceptionalchildren.org/improving-your-practice/life-centered-education-transition-curriculum	An all-in-one set of 1,200 transition lesson plans with related tests, the Council for Exceptional Children (CEC)’s Life Centered Education (LCE) is a fully online, secure transition curriculum that students and teachers can engage with 24/7. Use this to decrease planning time, increase instruction time and to prep/retain your teachers!
