

*23<sup>rd</sup> International Conference on Autism,  
Intellectual Disability & Developmental Disabilities*  
Council for Exceptional Children  
Division on Autism & Developmental Disabilities (DADD)

**Research-Informed Practice**

**January 26 – 28, 2022**

**Sheraton Sand Key  
Clearwater Beach, Florida**

Are you an educator, administrator, researcher, college instructor, or related professional working in the field of autism, intellectual disability and/or developmental disabilities? Then DADD's conference is for you! Across numerous in-person and select virtual sessions, presenters will share the most current research and practice recommendations related to improving educational outcomes for individuals with autism, intellectual disability, and/or developmental disabilities.

The conference program features more than 250 interactive lecture and poster presentations, networking luncheons, an exhibit hall, and other opportunities to engage with colleagues and leaders in the field. Conference participants also may choose to participate in one of two pre-conference training institutes: Institute I has a technology focus and Institute II has a BCBA focus.

Need credit for professional learning? We have that covered. CEUs through CEC, now known as Professional Development Hours (PDHs), are available for all conference sessions and both pre-conference institutes.

*Value added alert for BCBA certificants!* At **no** additional cost, up to **15 BACB CEUs** will be available for designated sessions on the conference program.

**Please note:** the DADD Board of Directors and the Sheraton Sand Key (a Marriott International property) are committed to providing a safe conference experience for everyone. To that end, the following protocols will be in place: all in-person conference participants, including attendees, presenters, and exhibitors, will be required to provide proof of full vaccination through a free, simple, secure, and HIPAA-compliant third-party vendor; meeting rooms and the exhibit hall will be set in accordance with social distancing and capacity guidelines; click here to access the full list of Marriott's COVID-19 safety protocols and elevated practices: <https://whattoexpect.marriott.com/tpasi>.

For further information, please contact: Cindy Perras, DADD Conference Co-ordinator, [cindy.perras@gmail.com](mailto:cindy.perras@gmail.com)
