Classroom Management 101
Tip #1

PBIS (Positive Behavior Interventions & Supports)

- Proactive approach to behavior
- Multi-tiered system of support
- Assists in identification of at-risk and special education students
- School and Community-Wide - EVERYWHERE
- Faculty/Staff and Students - EVERYONE
TIP #2

Spend time upfront teaching expectations and procedures

Only have a few (3-5)

Think about…
What is important to you?
How will you maintain a safe environment?

State Positively

Expectations
TIP #3

SAFE and INCLUSIVE

Be open to differences

Emotional safety is as important as physical safety

Be consistent with your expectations

Let your students be who they are and discuss the differences

Be aware of everything around you at all times
RELATIONSHIPS

TIP #4

Greet students at door

Show interest in students outside school activities

Students meet behavioral expectations for people they
TIP #5

Consistency

Be consistent when handing out reinforcers and consequences

Prepare for EVERYTHING – planning, instruction, etc.

Consistency includes…
- Every Adult
- Every Day
- Every Location in the School
- Even when the teacher is absent
