# EXAM READER 2™

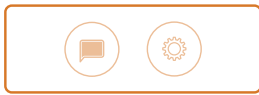

## Unlock student potential with the right tool

Available for use if the IEP says 'Text-to-Speech'

The C-Pen Exam Reader 2™ has given students with reading difficulties increased independence during tests and will save us money in the long run."

- University of Maine, Disability Support Services

The C-Pen Exam Reader 2™ is the perfect piece of tech to have as your trusty tutor in your pocket. For anyone with learning difficulties wanting to read exam questions easily and confidently, this discreet text-scanner comes pre-installed with a range of different languages and dialects.

More user-friendly interface

Long-life rechargeable battery

More accurate text recognition

# FREE TRIALS AVAILABLE!

The C-Pen Exam Reader 2™ removes the need for a human reader or separate rooms, therefore reducing exam anxieties and embarrassment and enabling the student to independently access test questions. The C-Pen Exam Reader 2™ can become the consistent voice a learner needs to focus and feel confident, whilst ensuring the tests assess the relevant skills and knowledge rather than the reading ability.

## What the C-Pen Exam Reader 2™ can do for you...

Enhanced OCR (Optical Character Recognition) for increased accuracy

Provides consistent language model for ELL students

No Wi-Fi required

Scan printed text to hear aloud or via included earphones

Can be used as a part of IEP or 504 plan

Wider range of voices and dialects
