Reach the Special Education Community Year-Round

The CEC Partner Solutions Directory is your opportunity to reach hundreds of thousands of viewers each month by placing a listing that **shows up both in the directory and via search results within the CEC digital presence**. The CEC website is the go-to resource for educators, administrators, higher education professionals and anyone interested in supporting students from Birth to Grade 12 with disabilities and/or gifts and talents.

This resource is an affordable way to reach this community year-round. Our web team will help you make sure that your products, services, and resources are highly viewed by those serving students with disabilities.

<https://exceptionalchildren.org/solutions>

- Analytic data shows high user engagement – **1:16** is the average amount of time a user spends on a partner solutions directory listing. Forbes lists the average at 54 seconds.
- Partner solutions directory listings appear alongside CEC site search results, which indexes not only the headquarters website but also **over 40+ geographic and special interest-focused microsites**.
- Reach a large audience of special education professionals. **1.4 million users** accessed the website last year, and we continue to see **145k sessions per month** on the partner solutions directory.
- Our audience is growing! Overall pageviews to partner solutions directory listings increased **10.85% YOY**.
