

LEARNING
WITH US IS
FUN,
ENGAGING,
AND
RELEVANT!

At friEdOnline, our mission is to ignite joy and inspiration in schools by empowering educators through flexible, self-paced online professional development to build the skills and knowledge needed to excel in education while fostering a love of learning.

QUALITY

Highly engaging, relevant content is written by EDUCATIONAL EXPERTS

SELF-PACED courses unlike anything else out there

Step-by-step annotated graphics, video experiences, check-ins, interactions, downloadable resources, and so much more!

USER-FRIENDLY

EASY TO NAVIGATE with clear directions and well organized useful content.

Custom note-taking tools, completion badge, certificates with PD credit hours.

10 months access to course from day of enrollment

AFFORDABLE

AFFORDABLE PRICING, bulk discounts, and flexible payment methods including buying with purchase order

Custom user reports for no additional cost

Additional synchronous implementation experience options

CREDIT HOURS

Earn PROFESSIONAL LEARNING CREDIT hours (CPE credit in Texas, CEUs in Mississippi or in any state when a district/school approves your course)

Enjoy learning that empowers you as an educator while completing required PD hours

Authentic, cohesive path for self-guided learning that can happen any time, any place, at any pace

Mastery of content assessed via reflections, checkpoints, practicum & comprehensive assessments

Provides a learner-focused experience through a variety of modalities

Perfect for...

All educators

Instructional coaches and support staff

Campus Administrators and all leaders

Anyone wanting to be more proficient in technology
