Differentiated PD Has Never Been Easier

All-Access Memberships give you and your staff unlimited access to every single friEdOnline course!

friEdOnline courses are engaging, hand-on experiences where learners learn by doing. Every membership includes:

- Implementation guides to help encourage investment and completion
- Tools and templates learners can use in class immediately
- Easy-to-follow suggested Learning Bundles for all users

- Custom course note-taking tool as accessibility and instructional coaching support
- Wide variety of courses to meet all learners where they are in their journey
- Courses ranging from 1-12 hours in length with CEU/CPE credits
