

Connect with the Special Education Community Year-Round

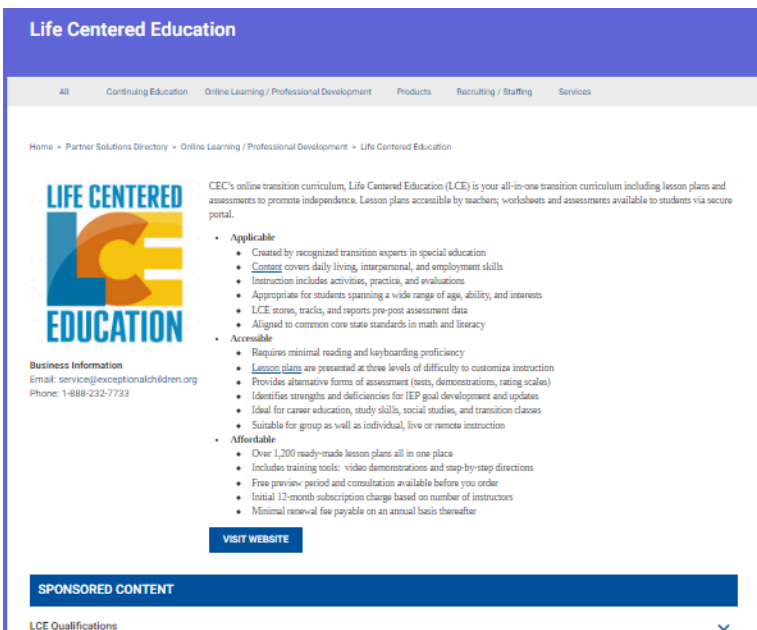

Place your listing in CEC's Partner Solutions Directory and connect with hundreds of thousands of viewers each month. The CEC website is a key resource for educators, administrators, and professionals supporting students with disabilities and talents from Birth to Grade 12.

This affordable platform ensures your products, services, and resources reach a dedicated audience. Listings appear alongside CEC search results, covering the main website and 40+ specialized microsites.

Join a growing audience: 960,000+ users visited our site last year, with 185k sessions per month and a 71.25% increase in pageviews to directory listings year-over-year.

The homepage of the Partner Solutions Directory features several options for priority placement. **Premier** partners are displayed at the top of the directory. **Showcase** partners are promoted just below. **Featured** partners are then listed in alphabetical order, followed by those who select a **Standard** listing.

All listings include: 12-Month Solutions Directory presence, a branded organization profile page, and year-round CEC marketing of the directory.

Life Centered Education

CEC's online transition curriculum, Life Centered Education (LCE) is your all-in-one transition curriculum including lesson plans and assessments to promote independence. Lesson plans accessible by teachers; worksheets and assessments available to students via secure portal.

- Applicable**
