

"Exceptional Children" Journal

VOLUME 94, NUMBER 2
JANUARY 2025

- Implementation science
- Writing interventions
- Teachers' persistence

Published by the Council for Exceptional Children

Readership profile: *Exceptional Children (EC)* is read by members of the Council for Exceptional Children, including college and university instructors, researchers, special education teachers and administrators, paraprofessionals, early childhood special educators, and other professionals.

Exceptional Children (EC) is the flagship research journal of the Council for Exceptional Children (CEC), publishing research articles pertaining to the education and development of children and youth with exceptionalities. Insightful and pioneering research, topical issues, and broad perspectives by leaders in the field have made EC one of the most respected scholarly journals in special education for more than 80 years.

About the Council for Exceptional Children

CEC is a professional association of educators dedicated to advancing the success of children with exceptionalities. We accomplish our mission through advocacy, standards, and professional development. CEC members help serve 7.1 million children and youth with disabilities and 3 million children with gifts and talents. CEC members represent a wide range of professionals in the field of special education.
