

I am safe at
school!

When I am at school, there are lots of special people there.

I have my teachers, Ms. Jess, Ms. Mary, and Ms. Tina.

And I have all of my bee friends!

**Pictures of all
students in the class**

Coming to school is fun! I get to play with my friends, read books, and make art.

Leaving my family and my home can be scary. It's okay for me to feel scared or sad.

When I am at school, I know that my teachers and my friends will keep me safe. My teachers' job is to make sure I am safe.

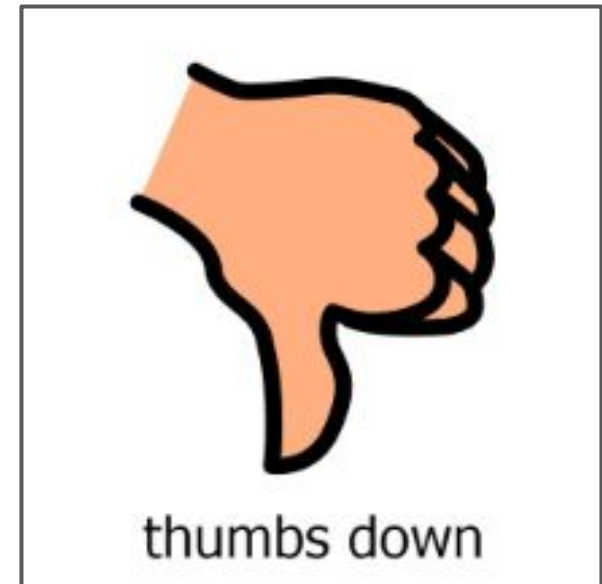

When I am at school, I can help my friends feel safe too.

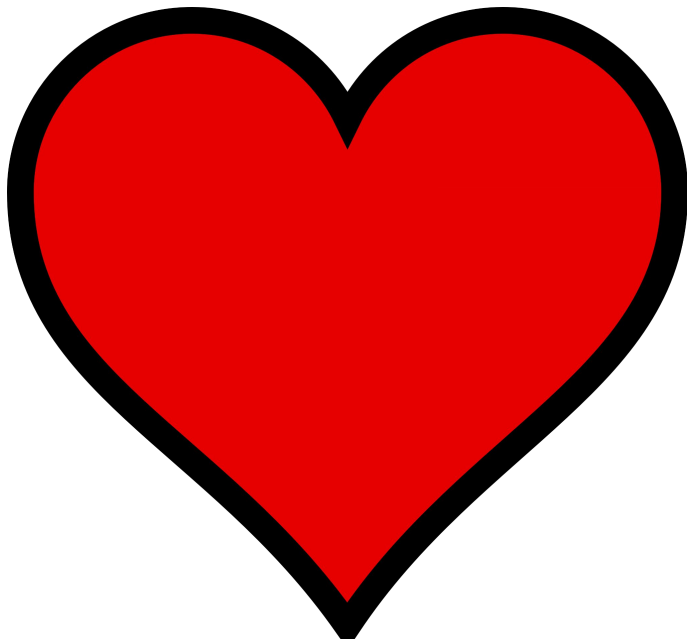

It is okay to feel scared or sad. My teachers and my friends will make me feel better when I am scared or sad.

It is okay to feel scared or sad. It is not okay to hurt others when I feel scared or sad.

My teachers and friends love me and will
make sure I am safe.

At school...

I am safe!

I am loved!

I am ready!

I am a super friend!
