

PREVENTION, TRAINING & EDUCATION

Proactive Solutions for Safer, Stronger Schools.

IMPROVE STUDENT BEHAVIOR

Resolve disruptive behaviors with targeted interventions that foster a positive and productive school environment.

FOSTER INNOVATION

Improve teaching skills, stay up to date on new educational methods, and better address student needs through continuous learning opportunities.

MAINTAIN COMPLIANCE

Ensure compliance with state laws and mandates through our expert-led training and prevention programs designed to meet all regulatory requirements.

Team PSI is made up of nationally recognized and school-tested experts in education. School health and education offerings include state mandated and best practice certification for school staff, student programs, parent education, staff trainings and more.

Sessions and classes are customizable and geared for students and/or staff.
