

Close the learning gap for students reading below grade level

The Learning Ally Audiobook Solution® enables struggling readers to keep pace with your curriculum to accelerate learning and help improve test scores

Learning Ally is a trusted, award-winning non-profit of 75 years

24,000 Schools • 2,950 Districts • 2.4 Million Students

In a national survey of the Audiobook Solution, educators agree:

90%

Enables comprehension of grade-level reading

85%

Enables achievement of independent reading goals

Your Curriculum, Immediately Accessible

Give your students reading below grade level immediate and equitable access to your curriculum through human-read e-books that provide both audio & text for accelerated learning.

Affordable and Effective

Optimize your curriculum investment and reduce costs by providing struggling readers access to the content they need to learn and teachers the training to implement with fidelity.

Easy to Use and Saves Time

Use seamlessly along with your existing lesson plans with user-friendly administration and educator reporting tools.

Learning Ally helps struggling readers access information so they can stay on par with their classmates and feel confident in their learning.

KRISTIE AUTREY, Curriculum Director
Mitchell County School District, NC

Evidence-based Impact

2X

Doubled rate of reading growth in just 50 days*

Listening: the answer for students reading below grade level

Research shows the brain learns the same way whether reading or listening to text

Gallant Lab, UC Berkeley

How the Audiobook Solution works

STUDENTS

- **Download** assigned or self-selected multi-media books via app onto a personal bookshelf
- **Access** the grade level content they need to learn anytime, anywhere, on any device, even when offline
- **Learn** while listening and simultaneously following text – with notetaking, dictionary lookup and more

TEACHERS

- **Easily** assign titles for students to read
- **Monitor** data about students' reading behavior and habits, individually and as a class
- **Watch** classroom participation, student confidence and reading rates soar

**"It's reading via the ears.
It's...a thousand times better."**

Ylia T., Student, Woodbridge Township School District, NJ
