# Mental Health & Behavior Supports

Where does  
eLuma fit  
in your MTSS?

eLuma's mental health and behavior solutions offer a multi-tiered approach to student well-being.

# IEP-Based Related Services

Fulfill IEP-based hours with our network of high-quality and reliable service providers.

Speech-Language Pathologists

School Counselors

School Psychologists

Occupational Therapists

Social Workers

Plus, we offer a range of assessments from leading publishers administered by our service providers.

## Assessments

You need to know where your students are so you can meet them where they are. That's why we recognize the importance of student assessments.

From psychoeducational to speech and occupational assessments, by providing integrated and streamlined access to a full suite of assessments, eLuma saves you valuable time to focus on what you do best— serving students.

# The **eLuma** Difference

## A true partnership

We partner with districts to provide quality service tailored to their needs.

Dedicated customer  
success partner

Support for students,  
staff, and caregivers

Secure teletherapy platform  
to facilitate service delivery  
and caseload management

## Lasting impact

Increased  
staff morale

Promote family  
involvement

Improved  
attendance

Support the well-being  
of students, staff,  
and families

Improved student  
outcomes

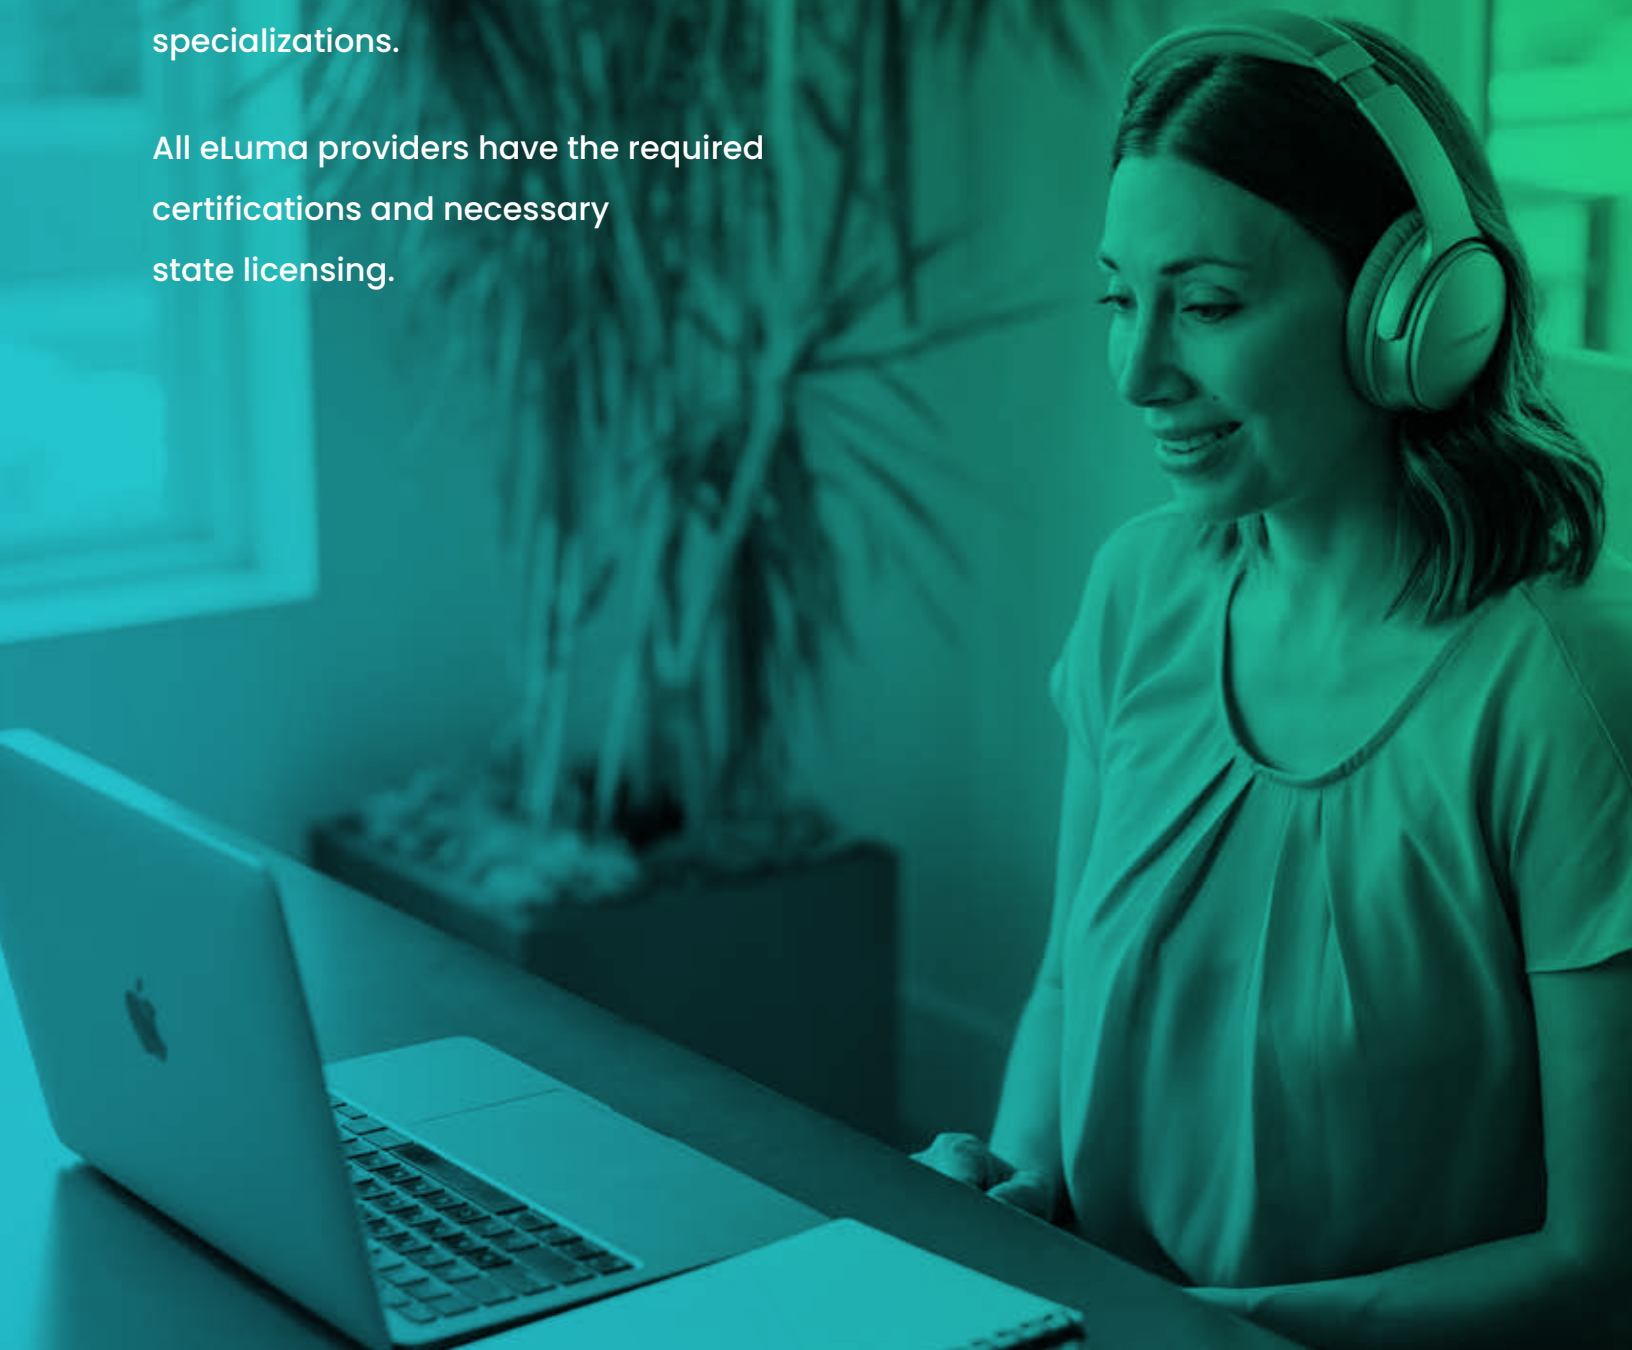

# Professionals Who Care

eLuma takes great pride in its community of speech and occupational therapists, social workers, counselors, and school psychologists. Our providers come from all over the country with different cultural and linguistic backgrounds, offering various specializations.

All eLuma providers have the required certifications and necessary state licensing.

Lastly, eLuma looks for individuals committed to embracing our company values and fulfilling our mission to help all students reach their potential.

**We'd love to partner with you!**
