

# Partner Solutions Directory

## Connect with the Special Education Community Year-Round

Place your listing in CEC's Partner Solutions Directory and connect with hundreds of thousands of viewers each month. The CEC website is a key resource for educators, administrators, and professionals supporting students with disabilities and talents from Birth to Grade 12.

This affordable platform ensures your products, services, and resources reach a dedicated audience. Listings appear alongside CEC search results, covering the main website and 40+ specialized microsites.

**Join a growing audience:** 1.53million+ users visited our site last year, with an average of 200,000 sessions per month and a 153% increase in pageviews to directory year-over-year.

The homepage of the Partner Solutions Directory features several options for priority placement. **Premier** partners are displayed at the top of the directory. **Showcase** partners are promoted just below. **Featured** partners are then listed in alphabetical order, followed by those who select a **Standard** listing.

**All listings include:** 12-Month Solutions Directory presence, a branded organization profile page, and year-round CEC marketing of the directory.

**LIFE CENTERED EDUCATION**

**Business Information**  
Email: [service@exceptionalchildren.org](mailto:service@exceptionalchildren.org)  
Phone: 1-888-232-7733

CEC's online transition curriculum, Life Centered Education (LCE) is your all-in-one transition curriculum including lesson plans and assessments to promote independence. Lesson plans accessible by teacher; worksheets and assessments available to students via secure portal.

- Applicable**
  - Created by recognized transition experts in special education
  - LCE** covers daily living, interpersonal, and employment skills
  - Instruction includes activities, practice, and evaluations
  - Appropriate for students spanning a wide range of age, ability, and interests
  - LCE stores, tracks, and reports pre-post assessment data
  - Aligned to common core state standards in math and literacy
- Accessible**
  - Requires minimal reading and keyboarding proficiency
  - Lesson plans** are presented at three levels of difficulty to customize instruction
  - Provides alternative forms of assessment (tests, demonstrations, rating scales)
  - Identifies strengths and deficiencies for IEP goal development and updates
  - Ideal for career education, study skills, social studies, and transition classes
  - Suitable for group as well as individual, live or remote instruction
- Affordable**
  - Over 1,200 ready-made lesson plans all in one place
  - Includes training tools, video demonstrations and step-by-step directions
  - Free preview period and consultation available before you order
  - Initial 12-month subscription charge based on number of instructors
  - Minimal renewal fee payable on an annual basis thereafter
