

Build a Brighter Future for **All Students**

STUDENT SUPPORT WITHOUT COMPROMISE

eLuma delivers qualified, credentialed providers for 504 and IEP-based related services, behavior support, and general education counseling.

Deliver Tier I-III interventions, empower educators and caregivers, and prevent challenges before they escalate with our comprehensive suite of services and solutions.

Custom-Fit Staffing

We build a tailored plan based on your goals, schedules, and state requirements.

Seamless Integration

Our providers collaborate with your staff, families, and students to ensure aligned, student-centered services.

Trusted Professionals

All eLuma providers are licensed, thoroughly vetted, and experienced in supporting students with diverse needs.

Flexible Service Models

Choose the staffing approach that fits your district from full-time to hourly, with virtual, on-site, or hybrid delivery options.

Discover the eLuma difference

Online, hybrid, and on-site therapy services and best-in-class support

With eLuma, you gain access to a dedicated customer success team, experienced providers and teachers, and a secure caseload management platform to address capacity challenges, remain compliant, and empower every student to achieve their potential.
