

Fill Hard-to-Staff Roles. Keep Services on Track.

STUDENT SUPPORT WITHOUT COMPROMISE

When students go without qualified providers, services stall, compliance risks rise, and burnout spreads quickly.

eLuma delivers qualified providers for 504 and IEP-based related services, behavior support, and general education counseling.

Support students across tiers, equip educators and caregivers, and address challenges early with services built around your district.

Custom-Fit Staffing

We build a tailored plan based on your goals, schedules, and state licensure requirements.

Seamless Integration

Our providers work alongside your staff, families, and students to keep services aligned and student-centered.

Trusted Professionals

All eLuma providers are licensed, thoroughly vetted, and experienced in supporting students with diverse needs.

Flexible Service Models

Fill a single hard-to-staff role or build ongoing capacity around your caseloads. You choose the model that fits your district.

Why Districts Choose eLuma

Experienced specialists backed by a team that knows special education and school-based practice.

With eLuma, you get credentialed providers and a dedicated customer success team to close capacity gaps, stay compliant, and help every student achieve their potential.
